

# A/R assessment

Improve your community's financial performance with actionable insights from the experts in SNF revenue cycle management.

Our partnership with Quality Healthcare Resources (QHCR), a leading provider of back-office business solutions for skilled nursing facilities, includes a complimentary A/R assessment for MatrixCare clients. The A/R assessment analyzes key billing data to identify revenue cycle management issues and suggest improvements to help increase cash flow.

## An easy path to better financial performance

QHCR's A/R assessment process is fast, easy, and thorough.

### Data sharing

The A/R assessment analyzes key billing data to identify revenue cycle management issues and suggest improvements to increase cash flow.

### Data analysis

Our financial consultants will analyze your data using our proprietary model, industry expertise, and compiled benchmarks

### Custom report

Once we complete our analyses, our team will walk you through your custom report including key metrics and observations.

### Actionable guidance

During that meeting, we'll also provide context for each metric and share actionable guidance to improve your cash flow
